I. We/I agree to lease desired dispensers/cabinets as needed for the above facility.

II. We/I agree to purchase products, which are manufactured to function in designated dispensers/cabinets from the leaser (Massco, Inc.) from the date the equipment was installed until the lease period of five years has expired.

III. If customer were to purchase corresponding products manufactured for dispensers/cabinets leased by Massco from another vendor/competitor, Massco has the right to remove any dispenser listed on this contract from above facility.

IV. During the life of the contract, any broken cabinet will be replaced at no charge.

V. At the end of the five-year period, should the above facility desire an alternate source of product for leased dispensers/cabinets, the following options will apply:

   a. Massco may remove dispensers/cabinets from location.

   b. Customer has the option to purchase dispensers/cabinets from Massco for 50% of the cost of manufacturer's suggested list price or return dispensers/cabinets to Massco.

   c. Any of the above would terminate this business transaction.

VI. All additional lease dispensers become covered by this agreement evidenced by a customer-signed proof of delivery Massco document.
