## EQUIPMENT RENTAL PROGRAM

## WHY RENT?

- Short term project needs
- Emergency – equipment breakdown
- Fill-in while waiting on new equipment delivery
- Control cash flow
- Eliminate risk of obsolescence
- Flexibility – able to adjust quickly to downturns or changing work requirements

At **MASSCO**, we rent floor cleaning equipment for routine maintenance or disaster recovery. We will provide the instruction and training you need to ensure you get the job done quickly and easily. Unlike typical retail rental machines, we rent professional-grade commercial equipment that cleans thoroughly and delivers longer lasting results.

**MASSCO** can provide the cleaning products and accessories you need to help you get the most out of your rental equipment.

**FLOOR PADS • BRUSHES • FLOOR SQUEEGEES  
CLEANING CHEMICALS • SANDING DISKS**

Accessories and cleaning products are not included in equipment rental price.

Delivery and pick up services can be provided where available. Consult **MASSCO** for availability and fees.
