

DfE Approved

Massco is proud to announce that Superior Sno-N-Ice Melter® now carries the U.S. EPA's Design for the Environment label.

Recognized for Safer Chemistry

www.epa.gov/dfe

Superior Sno-N-Ice Melter® has earned the U.S. Environmental Protection Agency's (EPA) Design for the Environment (DfE) label by meeting the rigorous criteria of the DfE program. DfE works with manufacturers to develop safer deicer products with greener ingredients that also meet high performance standards. The Design for the Environment label allows you to quickly identify and choose effective products that help protect the environment and are safer for people, pets, and vegetation.
