GENESYS™ 15

15" Small Area Cleaning Machine

- Unmatched Versatility
- **4 Machines in 1**
- 4 Times More Productive
- Outstanding Maneuverability
- Compact for Storage and Transport

4 MACHINES IN 1

GENESYS™ 15

15" Small Area Cleaning Machine

Offset brush for superior edge cleaning against vertical surfaces

Solution level gauge, adjustable head pressure, variable solution control and easy, compact storage

4-sided squeegee containment and powerful vacuum motor will leave floor dry while making tight turns

The Betco GeneSys™ 15 is the next generation cleaning system. The closed loop solution design ensures that only clean water is applied to the surface while dirt and contaminants are extracted by a high power vacuum motor. Testing shows that the Betco GeneSys 15 removes 36 times more organic matter than using a mop and bucket while cleaning 4 times faster. Even more exciting is the availability of optional cleaning tools that allow the closed loop cleaning system to be used on carpet, upholstery, vertical surfaces, and many other hard to clean areas. The cleaning tools create 4 machines in ONE! Experience the next generation in small area cleaning, Betco GeneSys 15!

GeneSys™ 15 Small Area Cleaning Machine Technical Specifications

Cleaning Path: 15"
Brush System: Cylindrical
Power Supply: 120 Volt AC
Brush Motor: 0.5 HP
Brush Speed: 800 RPM

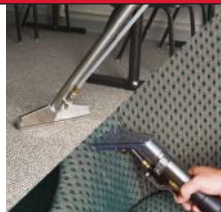

Vacuum Motor: 1.0 HP
Water Lift: 72"
Solution Control: Variable flow
Solution Tank: 3 gallons
Recovery Tank: 3.25 gallons

Length: 31"
Width: 19"
Height: 22"
Weight: 84 lbs.
Productivity: Up to 10,000 sq. ft./hr.

GeneSys™ 15 Tool Options
