

# TASKI® swingo® XP

## Stand on 30-inch (75-cm) autoscrubbers

---

### Key Features

- ▶ Greatly increased productivity
- ▶ Best cleaning results
- ▶ Immediately dry floors
- ▶ Reduced water and energy consumption

### Greatly increased productivity

- ▶ The new stand-on concept with sensor steering combines excellent maneuverability with speed for faster cleaning. A highly efficient water management system reduces the number of time-consuming tank filling stops.

### Highest cleaning results

- ▶ The new scrubbing unit with micro-rotating movement offers high level cleaning results, while saving up to 50 percent of the cleaning solution versus conventional rotary or cylindrical systems.

### Immediately dry floors

- ▶ The excellent drying result (due to the W-shaped squeegee) allows use of the machine at any time of the day, while reducing the potential risk of slip-fall accidents caused by wet floors.

### Reduced water and energy consumption

- ▶ The environmentally-friendly machine leads to more efficient use of natural resources. CSD reduces water and chemical consumption up to 50%.

# TASKI swingo XP Specifications

## TASKI swingo XP Technical Data

Description		Description	
Practical performance	24,200 ft <sup>2</sup> /h (2,250 m <sup>2</sup> /h)	Machine weight ready for use (w/o driver)	905 lbs (410 kg)
Working width	30 inch (75 cm)	Dimensions (L x W x H)	47 x 37 x 50 inches (119 x 95 x 126 cm)
Squeegee width	37 inch (94 cm)	Door pass through width (w/o squeegee)	32 inch (81 cm)
Solution tank-bag system	28 gallons (105 l)	Brush system	2 units 18 x 6 inches (45 x 15 cm)
Recovery tank	28 gallons (105 l)	Micro-rotation speed of brushes	550 rpm
Rated voltage	24 V	Brush pressure min-max	35-95 lb.
Nominal consumption	1,200 W	Cleaning speed	4 mph (6 km/h)
Battery capacity (max)	195 Ah/C5	Sound level	65 dB(A)
Battery run time	3.5 h		
Machine weight net	397 lbs (180 kg)		

## TASKI swingo XP

Model	SKU Number
TASKI swingo XP	7514508

## Accessories

Description	SKU Number	Description	SKU Number
XP Medium nylon scrub brush	7514650	XP Red floor pads (pack of 10)	7514728
XP Drive discs	7514648	XP Blue floor pads (pack of 10)	7514729
XP Microfiber contact pads (pack of 4)	7514732	XP Black floor pads (pack of 10)	7514731
AGM maintenance free batteries	8G31.1600	High frequency smart charger 24 V 12 amp	5522609

## Description of Features

**BMS (Battery Management System):** An internal monitoring system prevents deep discharging of the batteries. LED Battery display allows the operator to visually check condition of battery charge.

**CSD (Cleaning Solution Dosing):** The CSD system allows for a speed-dependent supply of cleaning solution. This feature ensures that the amount of solution dosed onto the floor is always constant—no matter how fast the machine is operating. The result? No puddles in curves and turns as well as a 30-50 percent saving in cleaning solution, leading to significantly increased productivity of the machine.

**Micro rotating scrub deck:** Combines the best attributes of rotary and cylindrical cleaning all in one patented scrubbing platform. No need to choose one or the other.

**Patented squeegee:** The unique “W” shape with dual pickup hoses continuously self-adjusts to the flooring surfaces and delivers a dry floor without “trail mopping.” Easy on/off squeegee.
