Equipment Type Dry Carpet Extractor	Manufacturer Von Shrader	Product Number VSVS1D	Mfg. Price 2299.00
Product Dry Foam Carpet Extractor		Condition New	NOW \$450.00

Product Description

Von Schrader Carpet Extraction System applies a dirt emulsifying dry foam, brushes it thoroughly into the carpet and removes both foam and dirt immediately before it can sink back down into the carpet or rug. Because only foam containing 10% moisture is used, your carpet or rug is ready for use in an hour or so. And there is no danger of shrinkage, dry-rot, browning or mildew.

Product Marshall 18"		Condition Used - Good	NOW \$265.00					
Product Description The Marshall combines cleaning power with ease-of-operation to make it the ideal choice in two-motor uprights. An onboard tool kit, complete with built-in suction wand, allows you to handle above-the-floor cleaning tasks with ease. Because of its incredible suction, the Marshall is built to clean in a single pass, not with the back-and-forth motion of most uprights and Indoor Air Quality (IAQ) is enhanced with Marshall's multiple filtration system.
